

“free rate” use of the Pokémon Data

Limited time offer: Detectable Pokémon Go data on the eir Network does not count against customer’s high-speed data allowance of the social bundle. This offer is subject to change and eir reserves the right to withdraw this offer at a moment’s notice. Some data content may be excluded & additional incidental data content may be included in this offer. Extremely high data usage may result in slower speeds. Fair usage policy applies. The Pokémon Trademark is the exclusive property of Nintendo. eir is not an associate, affiliate, or licensee of Pokémon/Niantic. We’re just big fans. See <https://www.eir.ie/bundles/> for further details.
