

# EIR PRESS RELEASE

Dublin, 13 May 2019

## eir announces successful extension of existing term loans

eir has today announced the successful extension of €945m of its existing term loans, the maturity of which will now move from April 2024 to May 2026. Pro forma for this transaction and the previously announced refinancing, eir has extended its average maturity profile by over 2 years to 6.6 years, while at the same time reducing its average cost of debt by approximately 10%.
