

## **eircom commences amendment & extension of its existing Loan Facility Agreement**

**(Friday, 1<sup>st</sup> May 2015)** eircom has announced plans to make certain amendments to its existing Loan Facility Agreement, including an invitation to existing and new lenders to participate in a new TLB3 tranche with maturity in May 2022. At the same time, the Company will look to increase certain operational flexibility for management to optimise business performance as well as align the Loan Facility documentation with current market standards. An investor call for lenders is scheduled for Wednesday 6<sup>th</sup> May 2015 with responses due by Wednesday 20<sup>th</sup> May 2015. For more information on the request, please refer to the material posted to the Company's investor relations website at <http://investorrelations.eircom.net/>
