

eircom Announces New CFO and CIO

(Issued 18 May, 2015) eircom Group today announced the appointment of Mr Huib Costermans as Group Chief Financial Officer. He will also be appointed as an executive director of the board of eircom Limited. In a separate announcement, Erik Slooten has been appointed as the company's Chief Information Officer. Both will take up their roles in August.

Mr Costermans is an experienced telecommunications executive with deep operational finance knowledge. He has worked with Dutch operator KPN for the past seven years in a number of roles including CFO for its Wholesale and Operations functions, CFO of E-Plus in Germany and CFO of KPN's Dutch operations. Before joining KPN, Huib spent 16 years in various roles with Organon, a Dutch pharmaceutical company that used to be part of Akzo Nobel.

Erik Slooten joins from T-Mobile in the Czech Republic, where he was Regional Vice President for Processes and Systems. Prior to this, he was CIO of GTS, also in the Czech Republic. He was previously CIO at Vivacom in Bulgaria.

Commenting on the announcements, Richard Moat, CEO, eircom Group said, "eircom is delighted to appoint Huib and Erik. They both bring significant industry experience and commercial acumen to help us execute on our strategic and operational plans for the business."
