Service Description

The eMobile proposition consists of Mobile Voice and Mobile Data Services provided over the Network using a range of technologies including 2G, 3G and 4G. Mobile Voice enables Customers to make and receive voice calls when connected to the Network within the Republic of Ireland, and outside the Republic of Ireland by Roaming on international partner networks where available. Mobile Data enables Customers to send or receive data when connected to the Network both within the Republic of Ireland. Mobile Voice and Data Services are available outside the Republic of Ireland on international partner networks where appropriate Roaming agreements are in place

eMobile also offers the following add on Services:

- 1.28 Bulk SMS
Bulk SMS is a Third Party Service which consists of an online application which facilitates the sending of bulk SMS's (single SMS to multiple subscribers) with a full suite of features including campaign set up, management and reporting;
- 1.29 Managed Access Point Name (APN)
A Third Party managed APN service that provides Customers with a secure method to allow their End Users to connect to their corporate network using their mobile devices. The service provides a secure/non-public, shared APN with a self-service portal to allow Customers to manage their End Users. It also allows Customers to provide End User authentication and monitored Internet access;
- 1.30 Indoor Coverage Solutions
A range of indoor 2G, 3G and 4G coverage solutions are available as a Third Party Service for Customers. These solutions are provided for Customers who have a strong external coverage and poor internal coverage due to building materials used and

Mobile Device Management (MDM) is a Third Party Service software solution that enables Customers to secure monitors, manages and supports mobile smartphone and tablet devices. MDM functionality typically includes over-the-air enforcement of security policies, distribution of applications as well as management of corporate email, security certificates and configuration settings. MDM can apply to both company owned and End User owned devices.

2. Agreement

- 2.1 In the event of any conflict between the terms and conditions of this Service Schedule and the eircom Limited Master Terms and Conditions these terms and conditions will prevail.
- 2.2 By completing the Order, the Customer confirms that all the information therein relating to it is accurate and that the Customer accepts that the Goods and Services shall be provided in accordance with this Service Schedule, the eircom Master Terms and Conditions for the Supply of Goods and Services, the Fair Usage Policy, the Privacy Policy, the terms and conditions of any applicable Price Plan, Promotion or service options and any other terms expressly stated to form part of the Service.

3. Commencement and duration

- 3.1 eMobile will provide the Services from the Operational Service Date when eMobile accepts the Order and the Services shall continue in full force and effect until properly terminated by the Customer or by eMobile as permitted by the Agreement. Acceptance of the Customer as a Customer is at eMobile's sole discretion and eMobile shall have no obligation to provide the Customer with any reasons if eMobile decides not to accept the Customer as a Customer.
- 3.2 The Customer may not terminate the Services during the Minimum Period of Service. If the Services are terminated by the Customer during the Minimum Period of Service, the Customer is liable to a termination charge calculated as the sum of the monthly Charges which would otherwise be payable from the date of such termination by the Customer until the end of the Minimum Period of Service. On expiry of the Minimum Period of Service either party may terminate the Services on the giving of thirty (30) days prior written notice to the other.

eMobile Business Terms and Conditions

4. Conditions of use

- 4.1 In order to access the Services using the Equipment the Customer must be in an area of the Network covering the Services concerned. Certain features/ services are dependent on the Customer being located within a 3G or 4G network and may be unavailable if the Customer travels, or is, outside of such a network. In addition, both the quality and availability of the Services are affected by factors which could cause radio interference, such as physical obstructions, atmospheric conditions, technical faults in the Network including in other telecommunications networks through which the Services may be relayed or other matters beyond eMobile's control. eMobile cannot guarantee that the Customer will reach the maximum speed advertised. Speed of Internet connection assumes Network and components are working at optimum speeds and capacity. Additionally, certain functionality (e.g. video calling) may only be available if the Customer is calling another person who is also 3G/4G enabled and within a 3G/4G network.
- 4.2 eMobile may issue reasonable instructions concerning the use of the Services including concerning self-installation of the Services and details as to minimum system requirements.
- 4.3 Reliance on Call Content is at the Customers sole risk. eMobile shall not be responsible for any Call Content sent or received by the Customer. eMobile makes no representation as to the quality, accuracy, correctness, completeness or suitability of any Call Content. The Customer acknowledges that Call Content may be protected by copyright, trademark or other Intellectual Property Rights.
- 4.4 eMobile makes no representation and gives no warranty as to the performance of any Third Party Services. eMobile may withdraw access to Third Party Services at any time. Third Party Services are used at the Customer's sole risk and eMobile is not liable for any loss or damage suffered by the Customer arising from the use of such Third Party Services. eMobile may be required to bill the Customer for such services. This provision includes, but is not limited to, the use of the Services to access third party websites not controlled by eMobile. eMobile accepts no responsibility for same, their content or services and no endorsement or approval of such sites by eMobile may be implied.
- 4.5 The Customer can only Roam once the request to Roam has been approved by eMobile. Roaming can be requested on the Order or by an Authorised Individual contacting the eMobile Business Support Team on 1921. The Services available while Roaming shall depend upon the arrangements between local operators and eMobile. The terms and conditions which apply to Roaming, which may be amended from time to time, shall apply to this Agreement and are available on <http://roaming.emobile.ie/business>. All Customers except for SME Customers do not require approval from eMobile to avail of Premium Rate Services, Roam outside the Republic of Ireland or to make International Calls from the Republic of Ireland to countries which are not on the list of international barred destinations which can be found at www.emobile.ie. SME Customers will within 5 days of joining eMobile receive a service SMS from eMobile confirming that Roaming is available and that they can make International and Premium Rate Calls.

5. Equipment and the Number

- 5.1 The Customer does not own the Number (s) allocated to it. eMobile can change the Number at its discretion and will not be liable for any loss or damage, direct or indirect, which might arise from such changes.
- 5.2 The eMobile SIM Card remains the property of eMobile at all times. All other Equipment (excluding the eMobile SIM Card) shall remain the property of eMobile until the expiry of the Minimum Period of Service.
- 5.3 The Customer will ensure that all eMobile instructions (including any instruction manuals relating to the Equipment) are followed correctly in using the Equipment and eMobile shall have no liability arising from Customer's failure to follow such instructions. The Customer will maintain the Equipment in good working order. The Customer is solely responsible for the manner in which the Equipment is used.
- 5.4 eMobile will have no liability for any equipment, plug-ins or other devices, hardware or software provided by the Customer, other than the Equipment provided by eMobile, for use in connection with the Services. Any such equipment must be compatible with the Services, must not cause damage or loss to the Services, the Network or the Equipment and must be used in accordance with relevant instructions, safety and security procedures.

6. Customer obligations

The Customer agrees as follows:

- 6.1 to provide all information, as may be reasonably required by eMobile, to enable eMobile to deliver the Services to the Customer and/or in relation to the investigation of any alleged offences relating to the use or provision of the Services;
- 6.2 not to use (or allow others to use) the Services, the Network or the Equipment:
- (a) for any improper, indecent, unlawful, immoral or fraudulent purpose;
- (b) to cause any nuisance, injury, offence, or annoyance to any person or for the transmission of material which is, may be or is intended to be defamatory,

offensive, abusive, obscene, indecent or menacing;

(c) in a manner which may impinge in any way upon other Customer's ability to use or access the Services or which may damage or put at risk the Network or the Equipment or which, in eMobile's absolute discretion makes excessive or unusual demand on the Services or Network;

(d) for the infringement of the Intellectual Property Rights, including but not limited to copyright, of any person; (e) in a manner which does not comply with any relevant legislation or licence or with any instructions or direction given by eMobile from time to time; (f) in any way which infringes the proprietary rights in any software; (g) in a manner contrary to this Agreement.

eMobile reserves the right to notify any relevant agencies or authorities where the Customer is in breach of the obligations in this sub clause or otherwise.

- 6.3 that the Services are provided solely for the Customer's use and the Customer will not resell or attempt to resell the Services (or any part of them) to any third party without the prior written consent of eMobile;
- 6.4 that in the case of eMobile supplied handsets the Customer will only use such handsets on the Network and not on the network of any other Service Provider (save for Roaming) unless the Customer has been provided with an Unlocking Code by eMobile (for Unlocking Code requests please contact the eMobile Business Support team on 1921). A Charge may apply for unlocking a handset;
- 6.5 to maintain the confidentiality of all user details assigned to the Customer to enable the Customer to use the Services or access the Network;
- 6.6 to comply with the reasonable requests and directions of eMobile concerning the use of the Services;
- 6.7 to promptly notify eMobile in writing or contact the eMobile Business Support team on 1921 for Enterprise and Government Customers and 1800 69 00 00 for SME Customers to inform eMobile of any change of name, address or other contact details from these provided in the Order;
- 6.8 to notify eMobile immediately if Equipment (in particular the eMobile SIM Card) is lost or stolen or the eMobile SIM Card is damaged. The Customer will remain liable for all Charges incurred until the Customer does so. eMobile will provide a replacement eMobile SIM Card to the Customer and the Customer may be liable to pay a charge of up to fifteen euro, including VAT (€15 inc. VAT) for the replacement eMobile SIM Card.
- 6.9 to promptly pay all Charges in accordance with clause 6; and
- 6.10 to ensure that all persons having access to the Services or the Equipment comply with this Agreement. The Customer is responsible for the acts and omissions of its employees and agents and any other person the Customer authorises or allows to use the Services or the Equipment from time to time and the Customer shall be liable for any failure by such person to comply with this Agreement.

7. Payment, Charges and Price Plans

- 7.1 The Customer must pay for all Charges incurred through the eMobile SIM Cards related to the Order. eMobile will make every effort to ensure that all messages are delivered, however the Customer will be liable for all Charges in respect of any MMS and SMS messages that are not delivered.
- 7.2 Services may be available on the basis of different Price Plans with different rates of Charges. eMobile may vary the Charges at any time at its discretion. In the event that Charges are varied notification of such changes will be posted on the eMobile web site, and/or notified to the Customer through SMS, by e-mail or by post. The Customer may therefore not receive notification if eMobile has no contact details for the Customer. Details of Price Plans and Charges are available on www.emobile.ie/business or by request to eMobile, 1 Heuston South Quarter, St. John's Road, Dublin 8.
- 7.3 eMobile reserves the right, in its sole discretion, at all times to migrate the Customer to other Price Plans, to amend or vary the terms and conditions of a Price Plan or to withdraw or terminate a Price Plan, generally in whole or part, at any time from any Customer, on reasonable notice. For the latest terms and conditions for Price Plans, please visit www.emobile.ie/business.
- 7.4 The Customer will be liable to pay VAT on the Charges.
- 7.5 eMobile will invoice for the Services monthly in advance for fixed Charges, and monthly in arrears for connection, calls, SMS messages, data units and other non-fixed Charges. Payment is due on the date specified on the invoice. eMobile reserve the right to include Charges from a prior billing period in any invoice where the time period for calculation of the appropriate usage rate makes this necessary. eMobile will send all invoices and notices to the Customer billing address shown on the Order unless the Customer informs eMobile in writing or calls eMobile Business Support team on 1921 for Enterprise and Government Customers or 1800 69 00 00 for SME Customers to inform us of any change.
- 7.6 Every invoice and notice from eMobile to the Customer will be deemed served 48 hours after posting or on earlier proof of delivery. eMobile reserve the right to alter invoicing periods, contact the Customer directly through SMS, by e-mail, by post or by telephone in relation to overdue payments and to fix a credit limit on the Customer's account and to discontinue the Services without notice if the limit is exceeded.

eMobile Business Terms and Conditions

- 7.7 Subject to eMobile's approval the Customer may apply to change to a different Price Plan during the Minimum Period of Service with effect from the beginning of any charging period. The Customer can change to a different Price Plan without approval after the conclusion of the existing Minimum Period of Service, with effect from the beginning of any charging period, or upon settlement of termination charges for the Customer's prior Price Plan in accordance with clause 14, unless eMobile specify otherwise, and where, at the time of requesting or effecting the change, the Customer does not have unpaid amounts owing.
- 7.8 eMobile can seek an Advance Payment and/or Deposit to enable the Customer to Roam or to access some or all of the Services or Third Party Services. In addition, pending credit checking, eMobile may seek an Advance Payment and/or Deposit to enable the Customer to Roam or to access the Services or Third Party Services. eMobile may seek Advance Payments from Customers for International Calls, Roaming or Premium Rate Services. eMobile may set off such amounts against any amounts due by the Customer to eMobile or any eircom Group Company.
- 7.9 eMobile may apply a limit to the amount of unpaid Charges that the Customer may incur and may alter this limit from time to time and may consolidate Customer accounts for the purpose of aggregating any balance due. The Customer remains liable for all charges incurred by multiple users on the account.
- 7.10 Plans which include 'Unlimited' minutes and texts are subject to a fair usage policy as defined by eMobile at eMobile's discretion and which can be found at <http://www.emobile.ie/business/terms/?/general/fairusage/>.

8. Insurance

- 8.1 eMobile may offer the Customer insurance to cover accidental damage to and loss of certain of the Equipment. This policy will be subject to its own terms and conditions and will be governed by an agreement between the Customer and the insurance company. If the Customer fails to make insurance payments the Customer's insurance policy will be invalidated immediately.

9. Repairs and Refunds

- 9.1 eMobile's policies concerning repairs and refunds, which may be amended from time to time are available at <http://www.emobile.ie/business/terms/?/general/repairsrefunds> and shall apply to the Order.

12. Use of Customer Information

- 12.1 This clause sets out how eMobile and each Affiliate comply with their obligations under the Data Protection Acts 1988 and 2003.
- 12.2 eMobile shall collect and process personal data for legitimate business purposes undertaken by eircom Affiliates which are connected with the delivery of the Services to you. These may include processing the Order, conducting credit and antimoney laundering checks, supplying the Customer with eMobile products, Goods or the Services, administering the Customer's account, calculating usage and charges, invoicing, Customer services and the efficient management of call and Traffic Data. eMobile may also process the Customer's personal data for the following purposes:
 - (a) to monitor or record calls to or from eMobile's Customer services department for training and quality purposes and in order to track reported problems;
 - (b) to prevent, detect and investigate fraud or any other criminal activity;
 - (c) to investigate improper use of the Services or the Network; or
 - (d) to assess and profile the Customer's network and billing history for Price Plans, statistical and Customer service purposes;
 - (e) For credit management purposes and to prevent bad debt; and
 - (f) if the Customer is an existing eircom Customer, The Customer consents to eMobile accessing existing Customer account details on eircom's systems (name, address, credit information, etc.) for the purposes of processing the Order, administering the Customer account and provision of the Services to the Customer.
- 12.3 Customer data may be shared with third parties such as other network operators or lawful authorities for the reasons set out in clause 12.2(a) to (e) above.
- 12.4 Subject to the preferences the Customer expresses when ordering the Services or as otherwise subsequently specified, eMobile and each eircom Affiliate may contact the Customer's End Users of the Services as set out on the Order by post, telephone, e-mail, SMS or otherwise through the Services, in order to inform the End Users about new and existing products and services, developments, Promotions, special offers and any discounts which may be of interest to the Customer and the Customer's End Users. This may include eMobile's own products and services, those provided by eMobile and its Affiliates and those provided by third parties.
- 12.5 While the Customer's data will normally be held within the European Economic Area ("EEA"), the Customer consents to the processing and transfer of Customer data outside of the EEA to the extent necessary to continue to provide the Customer with the Services, including but not limited to when the eMobile SIM Card is used outside of the EEA.

13. Move to eMobile

- 13.1 By accepting the terms of the Order, the Customer warrants and represents that the Authorised Individual is the person authorised to instruct eMobile to Move the Number(s) on behalf of the Customer. The Customer acknowledges that:
 - (a) only the Number(s) will be Moved;
 - (b) the completion of the Order shall constitute notice of termination of any agreement with the Customers' Previous Service Provider(s), subject to the terms and conditions of that agreement;
 - (c) the services provided by the Customer's Previous Service Provider to the Customer, including, without limitation, unused call credit or benefits, tariffs and terms and conditions of use that applied to the Customer's service will not be transferable or transferred to the Services;
 - (d) contractual and other obligations, charges and costs due to the Customer's Previous Service Provider will remain due and owing and shall be subject to settlement by the Customer with the Previous Service Provider in accordance with the terms and conditions applying to the provision of that service; and
 - (e) the process will be deemed to commence on the date of signing of the Order and it may not be possible to reverse the process once the Move has started.
- 13.2 If the signatory is not the Authorised Individual and the person legally entitled to request the Service Provider to Move the Number or a person or entity authorised to complete the Order, or if fraudulent or misleading information is supplied, then the signatory will be personally liable for all or any loss or damage arising from the unauthorised transfer of the Number.
- 13.3 eMobile may refuse to process the Customer instructions if:
 - (a) the information provided on the Order is incorrect or misleading;
 - (b) the information provided in relation to the Number is not compatible with information held by the Customer's Previous Service Provider;
 - (c) there are overdue amounts outstanding to the Customer's Previous Service Provider. eMobile does not warrant or represent that the Move will be completed within a particular timeframe. There may be a period where no Services are available, from either the Customer's Previous Service Provider or from eMobile. eMobile will not be liable or responsible for making good any loss, damage, costs or expenses or other liability whether incurred directly, indirectly or as a consequence of the unavailability of the Services or services from a Previous Service Provider.
