** Next Generation Broadband Advanced not available for sale from 7th May 2011.

- (i) The eir Talktime UK and eir TalkTime Anytime UK bundles are made available at a reduced rate with a discount of €5.08 (inc. VAT) off rates shown which applies for the first six months following signup before reverting to standard bundle rates shown above. eir reserves the right to withdraw this offer by giving relevant notice in accordance with normal requirements. The bundles are subject to 12 month PSTN and Broadband contract terms.
- (ii) The eir Talktime Talker and Next Generation Broadband Velocity Bundle, the eir Talktime Chatter and Next Generation Broadband Velocity Bundle, the eir TalkTime After Hours and Next Generation Broadband Velocity and the eir TalkTime Anytime and Next Generation Broadband Velocity Bundle are made available subject to a 12 month contract term being applied to the customer's PSTN service and a 12 month contract term being applied to the customer's broadband service. For the avoidance of doubt, early cease charge(s) will apply where either of these services is ceased within the minimum contract term.

Notes:

- 1 It should be noted that a customer availing of Standalone Broadband will not be able to receive calls or make outbound calls from their line. Access to emergency service numbers is not available.
- 2 The Broadband terms and conditions will apply together with the terms and conditions governing the customer's use of the components included any bundle.
- 3 Where customer usage exceeds the specified monthly download/upload limit appropriate to the customer's chosen level, the company reserves the right to charge the customer for the excess use or to request the customer to select a more appropriate level. In the event of a customer refusing or neglecting to select an appropriate level, eir may upon due notice terminate the provision of the facility to the customer. The additional charge for excess usage is €2.00 per GB (inc. VAT) up to a maximum of €24.00 (inc. VAT) per month.
