9. The TVOD Service

9.1 Introduction

This section sets out further terms and conditions that apply to your use of the TVOD Service. eir and FilmFlex may determine in their sole discretion from time to time which set top box ("STB") is authorised for you to stream content to, and watch movies on.

9.2 Watching a Movie

When you choose to playback a movie for rental you must view the movie by streaming it to your STB while connected to the internet; Remember, if you stream content from the Services over the internet you may be charged for the data you use. When you purchase a movie for rental, you will have a number of days within which to start watching the movie (usually thirty days) (known as an "Access Period"). Once you start watching the Movie within that Access Period, the movie may be viewed an unlimited number of times during a certain period (usually forty-eight hours) (known as a "Viewing Period"). This Viewing Period will begin from the first time the movie is played. Once this Viewing Period has elapsed, you will not be able to access the movie without paying an additional fee. If the Access Period has elapsed and you have not started to watch the movie, you will not be able to access the movie without paying an additional fee. eir and FilmFlex reserves the right to change the Access Period and Viewing Period between movies and it is your responsibility to check this information on the relevant part of the Services prior to ordering a movie for rental.

- 9.3 Your use of the Services will involve the use of connectivity services provided by eir and these connectivity services are all provided subject to any broadband contract you have with eir.

9.4 Equipment, Systems and Connectivity

Your ability to stream and watch movies will depend on you having an STB and connectivity. Before you order a movie for rental and watch a movie, you must ensure that you have all necessary equipment, systems and connectivity to stream and watch the movie properly. You acknowledge that the availability of the streaming of movies may be affected by external issues over which FilmFlex and eir have no control, including degradation, internet traffic congestion and any maintenance requirements of eir's broadband network.

9.5 Restrictions

You acknowledge all intellectual property and other rights in the movies that you order to rent, stream, or watch are owned by FilmFlex or its content suppliers. To protect these rights, FilmFlex stream movies to you using technology that protects digital information and

limits your ability to watch movies in accordance with certain usage rules established by FilmFlex or its content suppliers (whether in these Terms and Conditions or on the relevant pages of this TVOD Service). Please therefore be aware of the following restrictions and accordingly, you promise to FilmFlex that:

- (a) you will not, and will not authorise, encourage or assist any other person to, use the Services or stream and watch movies and any other content available on the Services, for any purpose other than personal, private use only (and not for any direct or indirect commercial purpose) in accordance with these Terms and Conditions;

You will not facilitate such activities through hosted TVOD services and services (including, but not limited to, the operation of eDonkey directory servers and/or BitTorrent trackers).

You acknowledge that, in addition to any rights that we or content suppliers have, any breach of these Terms and Conditions will entitle us to terminate your use of the Services immediately and without notice. You specifically acknowledge that FilmFlex's content suppliers also have the right to directly enforce relevant provisions within these Terms and Conditions against you.

- 9.7 We reserve the right to change, suspend, or cease the Services, or any part of them at any time and without notice to you. In particular, FilmFlex reserves the right to remove any movie from its catalogue or to cease your streaming and watching of any movie if necessary to comply with its obligations to its content suppliers. You agree that FilmFlex will not be liable to you if it exercises those rights, except for a reasonable refund or credit, if appropriate, in respect of any movie you have ordered, purchased to watch and not received the benefit of the appropriate Viewing Period and/or Access Period by virtue of any change, suspension or cessation.
