

Changes to €10 Unlimited Calls Offer

CONTRACT CHANGE : From 9th November, your current Simplicity Unlimited Calls Top up offer duration will be changing from 28 days to 14 days. If you activate this offer before November 9th, the offer will remain active for 28 days. Top ups made after November 9th will activate the offer for 14 days. We are increasing some standard rates and other charges on the Simplicity plan. We will also be discontinuing the IOU and Webtext services from December 2020. For full details, see below. If you feel it's not right for you, you are free to choose another offer or withdraw from your contract without penalty, including by ceasing to top up. eir

From 9th November the following changes will be made to your Simplicity €10 Calls offer:

Roaming Calls (outside EU) <ul style="list-style-type: none"> • Rest of Europe – €1.99 per min to make a call and €1.99 per min to receive a call • North America and Canada – €1.99 per min to make a call and €1.99 per min to receive a call • For all other roaming Rest of World Roaming bands, the charge to make a call in these countries will be €2.99 per min. The charge to receive a call will be €2.99 per min. • Per min billing applies to all calls • See https://www.eir.ie/roaming/#/ for full breakdown of call charges by destination.

Other Changes on the Simplicity plan:

- SIM Replacement Fee:
 - A charge of €5 may apply to any eir Prepay customer who orders a replacement SIM from December 2020
- Top up Refund Administration Charge:
 - Following a claim within 90 days of moving to another operator on or after 21 December 2020, prepay customers may avail of a refund of any remaining balance of purchased call credit, subject to a €20 administration charge.
- Removal of IOU and Webtext:
 - From December 2020, IOU and Webtext services will no longer be available to eir Prepay customers.
 - The IOU Service allows Prepay Customers to request an advance of mobile phone credit in the amount of €2 or €4 (the "IOU Credit") to their Prepay

account which amount shall be deducted from their mobile credit account at the time they next add credit or ("Top-Up") their account. For full terms see [here](#)

- eir's webtext service allows customers to send an SMS via myeir
