1. Agreement

- 1.1 These Terms and Conditions together with your Application, the Fair Usage Policy, the Privacy Policy, the terms and conditions of any applicable plan, Promotion or service options and any other terms expressly stated to form part of this Agreement (the "Agreement") between eircom Limited of 2022 Bianconi Avenue, Citywest Business Campus, Dublin 24 D24 HX03, Ireland, trading as eir Mobile ("we/us/eir Mobile") and the customer ("you" or "Customer") for the provision of any Services by eir Mobile to you.
- 1.2 By completing the Application, you confirm that all information therein relating to you is accurate and that you accept these terms and conditions of service.

2. Commencement and duration

- 2.1 This Agreement is effective from (i) in the case of Bill Pay Services, the time we accept your Application; or (ii) in the case of Prepay Services, the time you are given access to the Network, and shall continue in full force and effect until properly terminated by you or by us as permitted by this Agreement. Acceptance of you as a Customer is at our sole discretion and we shall have no obligation to provide you with any reasons if we decide not to accept you as a Customer.
- 2.2 If you are a Bill Pay Customer, you may not terminate this Agreement during the Minimum Period. If the Agreement is terminated by you during the Minimum Period, you are liable to a termination charge calculated as the sum of the monthly Charges which would otherwise be payable from the date of such termination by you until the end of the Minimum Period. On expiry of the Minimum Period either party may terminate this Agreement on the giving of 30 days prior written notice to the other.
- 2.3 If you are a SIM Only Customer the provisions of clause 2.2 do not apply to you and the Agreement may be terminated by you or by us on the giving of thirty (30) days written notice to the other. In the event that we do not receive thirty days written notice from you, you acknowledge that you will be liable to pay us a termination charge amounting to one month's Charges payable under the SIM Only Price Plan you subscribed to.
- 2.4 We may terminate Prepay Services if you fail to top up the Service by a minimum of €5.00 of purchased call credit at least once every 150 days, though for a further 30 days you will continue to receive incoming service. We will lift the suspension during this 30 day period if you top-up by a minimum of €5.00 using any top-up method. Thereafter and up to 13 months from the last top up with purchased credit we will lift the suspension if you contact customer care to top up by a minimum of €5.00 of purchased call credit. Upon expiry of the 13 month period we may unilaterally terminate this Agreement without notice to you. We will attempt to advise you of an impending suspension if you fail to meet the minimum requirement for applying call credit to the Services. If the Services have been suspended because of a failure to apply such a minimum top-up, eir Mobile will remove any credit remaining on your account after 240 days from the last top up with purchased credit.

Additionally, if your account is terminated for any reason, you will lose any call credit remaining on your account at the time the Services are terminated.

- 2.5 In the event that you are a consumer concluding a distance contract with us, within the meaning of the EC (Consumer Information, Cancellation and Other Rights) Regulations 2013 you shall, on written notice to us and subject to returning all Equipment (to include any chargers or ancillary equipment supplied) to us, have the right to cancel the Services within fourteen days (14) of completion of the Contract, which shall in the case of provision of Services be on the day the Services are installed. In the case of contracts for the delivery of goods, such sale of mobile handsets, and mobile broadband devices, this will be within fourteen days of the date of delivery of the goods. The Customer shall remain liable for any Charges incurred prior to such cancellation.
- 2.6 This Agreement is personal to you. You may not assign this Agreement without the prior written consent of eir Mobile. We may assign, novate or create security over this Agreement to any eir Group Company or to any third party without consent.

3. Service

- 3.1 We will use reasonable efforts once you have received your eir Mobile SIM Card to connect and activate your eir Mobile SIM Card within one Business Day, or as soon as practicable thereafter and to make Services available to you at all times. In order to access the Services using the Equipment you must be in an area of the Network covering the Services concerned. Certain features / services are dependent on you being located within a 3G network and may be unavailable, if you travel, or are, outside of such network. In addition, both quality and availability of the Services are affected by factors which could cause radio interference, such as physical obstructions, atmospheric conditions, technical faults in the Network including in other telecommunications networks through which the Services may be relayed or other matters beyond our control. We cannot guarantee that you will reach maximum speed advertised. Speed of internet connection assumes the Network and components are working at optimum speeds and capacity. Additionally, certain functionality (e.g. video calling) may only be available if you are calling another person who is also 3G enabled and within a 3G network.
- 3.2 Information regarding eir Mobile's estimated maximum attainable mobile internet speed in any particular geographical area is available on the mobile coverage maps published on the eir Mobile web site from time to time. There are a number of factors that can influence the speed of your line and the quality or performance of the Service. These are set out at clause 3.1.
- 3.3 In the event of any continuous or regularly recurring discrepancy between the actual performance of the Service and the speeds set out, the Customer shall be entitled to exit the Agreement without penalty where the relevant facts in relation to the actual performance of the Service are established by a monitoring mechanism certified by the national regulatory authority (ComReg). For the purposes of this clause 3.3 "continuous or regularly recurring" means that the Customer has raised the matter with eir Mobile in accordance with eir Mobile's Customer Care Code of Practice for Complaint Handling, eir Mobile has been given

the opportunity to remedy the situation and the Service is still not achieving the speeds for three (3) consecutive days following all remedial actions being taken by eir Mobile.

- 3.4 Volume limitations may result in an interruption to your internet service and/or additional usage charges. Speed and other quality of service parameters such as latency or jitter in the transmission of data or packet loss can result in internet access slowing down, web pages failing to load or problems with services like VOIP. Certain applications such as video or audio applications may suffer from momentary interruptions and it may take more time to complete a task that involves downloading or uploading data, a file, audio or video from the internet.
- 3.5 We may issue reasonable instructions concerning the use of the Service including concerning self-installation of the Service and details as to minimum system requirements.
- 3.6 Reliance on Call Content is at your sole risk. eir Mobile shall not be liable for any Call Content sent or received by you. eir Mobile makes no representation as to the quality, accuracy, correctness, completeness or suitability of any Call Content. You acknowledge that Call Content may be protected by copyright, trademark or other intellectual property rights.
- 3.7 eir Mobile makes no representation and gives no warranty as to the performance of any Third Party Services. We may withdraw access to Third Party Services at any time. Third Party Services are used at your sole risk and we are not liable for any loss or damage suffered by you arising from the use of such Third Party Services. eir Mobile may be required to bill you for such services. This provision includes, but is not limited to, the use of the Services to access third party websites not controlled by eir Mobile. eir Mobile accepts no responsibility for same, their content or services and no endorsement or approval of such sites by eir Mobile may be implied.
- 3.8 You can only Roam once your request to Roam has been approved by us. Roaming can be requested on your Application or by contacting our Customer Care team on 1800 690 000. The Services available while Roaming shall depend upon the arrangements between local operators and eir Mobile. The terms and conditions which apply to Roaming, which may be amended from time to time, shall apply to this Agreement and are available on www.eir.ie. New Bill Pay Service Customers will no longer require approval from us to Roam outside the Republic of Ireland or to make International Calls from the Republic of Ireland to countries which are not on the list of international barred destinations which can be found at www.eir.ie. Such New Bill Pay Service Customers will within 5 days of joining eir Mobile receive a service SMS from eir Mobile confirming that Roaming is available and that they can make International Calls.
